St. Peter Chrysologus was Bishop of Ravenna from about 433 until his death. He is known as the "Doctor of Homilies" for the concise but theologically rich reflections he delivered during his time as the Bishop of Ravenna.

St. Ignatius of Loyola was a Spanish Basque priest and theologian, who founded the religious order called the Society of Jesus and became its first Superior General. The Jesuit order served the Pope as missionaries, and they were bound by a vow of special obedience to the sovereign pontiff in regard to the missions. They therefore emerged as an important force during the time of the Counter-Reformation.

St. Peter Julian Eymard, SSS, was a French Catholic priest and founder of two religious institutes: the Congregation of the Blessed Sacrament for men and the Servants of the Blessed Sacrament for women.

St. Alphonsus Liguori CSsR, sometimes called Alphonsus Maria Liguori, was an Italian Catholic bishop, spiritual writer, composer, musician, artist, poet, lawyer, scholastic philosopher, and theologian.

St. Eusebius of Vercelli is another of the defenders of the Church during one of its most trying periods. Born on the isle of Sardinia, he became a member of the Roman clergy, and is the first recorded bishop of Vercelli in Piedmont in northwest Italy.

Jean-Baptiste-Marie Vianney, T.O.S.F. commonly known in English as **St. John Vianney**, was a French parish priest who is venerated as the patron saint of parish priests. He is often referred to as the "*Curé d'Ars*" (i.e., Parish Priest of Ars), **internationally** known for his priestly and pastoral work in his parish in Ars., France, because of the radical spiritual transformation of the community and its surroundings. Catholics attribute this to his saintly life, mortification, his persevering ministry in the sacrament of confession, and his ardent devotion to the Blessed Virgin Mary. His feast day is 4 August.

ST. VINCENT DE PAUL SOCIETY REFLECTION July 29, 2018

The multiplication account has more to do with what Jesus was saying about the future than about feeding a hungry crowd. The abundance is a sign of the resurrected life and points to a time of fulfillment when God's plan for redemption is finally realized. The bread grain is specified as barley, the grain used by the poor; in the messianic reign the poor will share in God's abundance. Jesus supersedes both the apostles' and the crowd's expectations: with little he feeds many...Jesus is the sign of God's lavish presence and love. We Christians are to see our lives through the lens of God's extravagant love. Do we? (Living Liturgy, p.178)

LITURGY CORNER

WEEKLY MIRACLE

This week marks the beginning of a kind of "liturgical detour." We have been listening to Saint Mark's Gospel during this liturgical year (Year B). Today we begin to hear a long section from John's Gospel, starting with the miracle of the multiplication of the loaves and fishes. This miracle story is a prelude to the Lord's statements that we will begin hearing in a few weeks, in which Jesus refers to himself as the "bread of life." Each week we witness a miracle at Mass. We do not see a multiplication of loaves before us. What our eyes of faith allow us to see is the miracle of the transformation of common elements—bread and wine—into the Lord's Body and Blood. Once we have received the Lord, the multiplication begins, for in the Eucharist we are strengthened to multiply our efforts to feed the poor, shelter the homeless, and bring comfort to the despairing.

TREASURES FROM OUR TRADITION

Last Wednesday, the greatest pilgrimage in our tradition ended with the feast of Saint James at his shrine in Compostela, Spain. Every year, as many as a hundred thousand persons walk a portion of the medieval way of the pilgrim, earning the right to wear the scallop shell symbol of this journey of faith. In legend, this city on the northern coast of Spain is the final resting place of the apostle, and the full name of the cathedral is "Saint James of the Field of Stars." There is a tradition that Saint James the Great preached there.

In the Roman Catholic tradition, the pilgrimage, like any procession, is a symbol, life's journey distilled, a powerful sign of our journey toward a certain goal. The perils of the road, the support of companions, the contemplative slower pace of life, have the potential to transform and renew the pilgrims in ways that last a lifetime. Along the way, the distinctions between rich and poor fall away, and everyone shares humble rustic food and stops for the night in hostels or under the stars. After a long walk, the experience of entering through the great doors into the vast cathedral filled with incense, light, and song is a foretaste of heaven. The pilgrims often say that their whole lives are redirected toward that moment of entry into the heavenly Jerusalem. The most memorable feature of the cathedral is called the *botofumeiro*, an incense burner on pulleys and chains that sweeps through the cathedral in immense circles, swirling clouds of sweet-smelling incense around the vast nave.

MILAGRO SEMANAL

Esta semana señala el comienzo de una especie de "desvío litúrgico". Hemos estado escuchando el Evangelio según san Marcos durante este año litúrgico (Ciclo B). Hoy comenzamos a escuchar una larga sección del Evangelio según san Juan que empieza con el milagro de la multiplicación de los panes y peces. Este milagro es un preludio de las declaraciones del Señor, que comenzaremos a escuchar en algunas semanas, en las que Jesús se llama a sí mismo el "Pan de Vida". Cada semana somos testigos de un milagro en la Misa. No vemos la multiplicación de panes. Lo que vemos con los ojos de la fe es el milagro de la transformación de elementos comunes, pan y vino, en el Cuerpo y la Sangre del Señor. Una vez que hemos recibido al Señor, comienza la multiplicación, porque en la Eucaristía se nos fortalece para multiplicar nuestros esfuerzos por alimentar a los pobres, darles refugio a los que no tienen hogar y brindarles consuelo a los afligidos.

TRADICIONES DE NUESTRA FE

El día 2 de agosto es la fiesta de Santa María de los Ángeles, patrona de Costa Rica y de los franciscanos. En 1635 la mestiza Juana Pereira descubrió una pequeña imagen de María con el Niño Dios. Varias veces la imagen se le perdió y regresaba al sitio donde la había encontrado el día 2 de agosto. Por esta razón el lugar a donde regresaba se convirtió en su santuario y se le dio el título de Nuestra Señora de los Ángeles en honor de la capilla dedicada a Santa María de los Ángeles afuera del pueblito de Asís en Italia.

Esta capillita reconocida como la Porciúncula (pedacito de tierra) fue restaurada por san Francisco. Allí nació la familia franciscana y Francisco insistió que los frailes nunca abandonaran ese lugar porque era consagrado a Dios. Allí María y los ángeles alababan a Dios cuando los seres humanos habían dejado de hacerlo.

Según parece, la imagen costarricense también insistió en quedarse en un pedacito de tierra consagrado a Dios donde sus hijos e hijas pueden recurrir a ella y adorar al Dios eterno.

SEA FIRME

En tiempo de desolación nunca hacer mudanza, mas estar firme y constante en los propósitos y determinación en que estaba el día antecedente a la tal desolación.
