ST. VINCENT DE PAUL SOCIETY REFLECTION

June 18, 2017

In the mystery of the Eucharist self-giving and community are inseparable. Life is the most precious possession any one of us has. To share one's life, then, is to share with another our deepest being. Community is the Commingling of life through mutual self-giving. Jesus' gift of life to us through our participation in his Body and Blood is not simply for our own sakes, but for the sake of others. To receive this gift of life is to be compelled to give this gift to others.

The Eucharist nourishes us and gives us the strength to choose self-giving as a way of living and this is the only way to achieve eternal life. No wonder we call ourselves a Eucharistic people! (Living Liturgy, p.160)

The program aims to form men capable of transforming themselves, their families and the greater society. The program combines the teaching of the Catholic Faith, the best of scientific and sociological research and the wisdom of the Saints to address the pressures and temptations that men face in our modern culture. Our Lady of the Assumption Parish will be hosting and launching this program beginning on September 6, 2017. Stay tuned for additional exciting information! Thank you!

LITURGY CORNER

TRUST IN JESUS

Today's feast celebrates another central mystery of our faith—the mystery of the Eucharist. Like the mystery of the Trinity, the real presence of the Body and Blood of Christ in the Eucharist can never be fully understood, but can only be believed. Just as the Israelites in the desert were invited to put their trust in God's word to them, we are invited to trust wholly in the word of Jesus. In today's Gospel Jesus promises to give us a share in his very own flesh and blood, and a share in eternal life besides. We are called to take him at his word and open our hearts to receive true nourishment and life from our participation in the Eucharist.

TREASURES FROM OUR TRADITION

At the heart of today's solemnity is a Eucharistic procession, held in many parishes, that calls to mind the procession of Holy Thursday, yet has a purpose different from the somber adoration in the night watch. In the late Middle Ages, a procession through the city with the Blessed Sacrament was an occasion of heartfelt joy and great emotion. In a time when people seldom approached the altar to receive Holy Communion, the procession through the streets, past homes and workplaces, was a vibrant reminder that Christ was with them as a dear companion and guide.

Every year on this day, a joyful procession winds through the streets of Rome from the Lateran Cathedral. A few years ago, Pope John Paul II, deeply moved at the sight of the throng accompanying the sacred host, said that we ought to feel profoundly united with the faithful everywhere in the world as such a moment. "Before our mind's eye all the Churches of the world, from East to West, from North to South, are present." Originally this feast was on the Thursday after Trinity Sunday, but after the calendar reform of 1970, its title was expanded from "Corpus Christi" to "The Body and Blood of Christ" and in the United States it was moved to the Sunday after Trinity Sunday. Even though Easter season ended two weeks ago, this beautiful feast is aglow with Easter light.

FATHERHOOD

STAFF OF LIFE

Bread is the staff of life.—English saying

CONFIANZA EN JESÚS

La fiesta de hoy celebra otro misterio central de Nuestra fe: el misterio de la Eucaristía. Como el misterio de la Trinidad, la presencia real del Cuerpo y de la Sangre de Cristo en la Eucaristía nunca se puede entender completamente, sino que solo se puede creer. Así como a los israelitas en el desierto se les invito a poner su fe en la palabra de Dios dirigida a ellos, a nosotros nos invita a confiar plenamente en las palabras de Jesús. En el Evangelio de hoy Jesús promete darnos una porción de su propia carne y sangre, y además compartir la vida eterna. Somos llamados a creer en su palabra y a abrir nuestro corazón para recibir verdadero alimento y vida por nuestra participación en la Eucaristía.

TRADICIONES DE NUESTRA FE

Esta celebración de Día de los Padres tuvo su origen en 1910, en los Estados Unidos de América. Aunque la practica comenzó en 1910, no fue hasta 1972 que se fijó un día oficial para celebrar al papá. Poco a poco esta fecha del segundo domingo de junio se ha ido expandiendo al resto del mundo con algunas excepciones. En Italia por ejemplo, la fiesta del padre se celebra el 19 de marzo, día de San José.

Durante la Revolución Industrial del siglo diecinueve, José, esposo de María, recibió su primera fiesta oficial. La Iglesia, preocupada por el ingreso del padre a las fabricas, propuso a este santo varón como ejemplo de lo que los padres deben ser en la vida de sus hijos e hijas; ejemplos de fe, ternura y trabajo. Aún en nuestro tiempo, el Rito del Bautismo de Niños insiste que el padre, junto con la madre, deben ser los mayores maestros de sus hijos. Al igual que José, el papá debe cuidar y proteger a su familia, enseñarle a los niños a trabajar y ser honestos para el bien de la familia y la sociedad.

PATERNIDAD
