CATHOLIC PRAYER CORNER

Prayer in Time of Sadness and Grief

O God of compassion,
your people are in pain.
Send your Holy Spirit among us
to dispel the fear that accompanies grief.
We cry out to you in our confusion;
comfort us in our affliction.
Help us to travel this road of grief and sadness
with our eyes fixed on the salvation
promised us through the death and resurrection
of your Son, who is Lord forever and ever. Amen.

SEEING THE LIGHT

Our Lenten journey continues this Sunday as we hear of Jesus healing a blind man in the Gospel of John. Jesus proclaims himself the light of the world, a light that overcomes darkness and enables a new capacity to see. The man, blind from birth, was able to begin his path to sight by first acknowledging his blindness. We are reminded of God's ongoing invitation to us to journey from blindness to sight. We begin by acknowledging our own capacity for "blind spots," and so open ourselves to uncomfortable truths and to God's healing. We are invited to see beyond appearances, as the reading from Samuel indicates, and to look into the heart of things. We are invited to "live as children of light" as the letter to the Ephesians teaches. Like the man healed from blindness, we may gradually learn to see fully and to follow Jesus.

SPRING

The first day of spring is one thing, and the first spring day is another. The difference between them is sometimes as great as a month.

—Henry Van Dyke

CHARITY

If you truly want to help the soul of your neighbor, you should approach God first with all your heart. Ask him simply to fill you with charity, the greatest of all virtues; with it you can accomplish what you desire.

—St. Vincent Ferrer

LIGHT AND SHADOW

In faith there is enough light for those who want to believe and enough shadows to blind those who don't.

—Blaise Pascal

LA PRIMAVERA

El primer día de primavera es una cosa, pero el primer día primaveral es otra. La diferencia es a veces hasta de un mes.

—Henry Van Dyke

CARIDAD

Si realmente quieres ayudar al alma de tu prójimo, debes acercarte primero a Dios con todo tu corazón. Pídele simplemente que te llene de caridad, la más grande de todas las virtudes; con ella puedes lograr lo que deseas.

—San Vincente Ferrer

LUZ Y SOMBRA

En la fe hay suficiente luz para los que quieren creer y suficiente sombra para enceguecer a los que no.

—Blas Pascal

Something To Think About....

Why are there interstates in Hawaii??

"Fear not that thy life shall come to an end, but rather fear that it shall never have a beginning."

—Cardinal Newman

CATHOLIC RELIEF SERVICES' RICE BOWL

CRS Rice Bowl is Catholic Relief Services' Lenten faith-in-action program. It offers opportunities for your family to engage daily in the spiritual pillars of Lent: prayer, fasting and almsgiving. And, it's an opportunity for us as a parish/school to come together as a community and reflect on what it means to live out our Gospel call to go out and encounter those most in need. The Rice Bowl program in most parishes is done mainly by children. Through this process children learn the serious needs of world hunger, lack of health care, lack of drinking water, etc. Twenty-five percent of the Rice Bowl Collection stays in the Archdiocese.

SHARING SUCCESS

Most people in Turkana, Kenya raise livestock, and a few are farmers. But the hot and dry climate makes this work difficult—and climate change is making it even harder. Rebecca and Lotiang participated in a Catholic Relief Services program that installed a water well and taught them new farming techniques. They can support their family with their crops and are teaching others in their community what they learned. How can you use your skills and knowledge to help others? Visit crsricebowl.org to learn more.

COMPARTIENDO LOS LOGROS

La mayoría de los habitantes de Turkana, Kenia, crían ganado y algunos son agricultores. Pero el clima caliente y seco dificulta este trabajo, y el cambio climático lo hace todavía más difícil. Rebecca y Lotiang participaron en un programa de Catholic Relief Services que instaló un pozo de agua y aprendieron nuevas técnicas agrícolas. Rebecca y Lotiang pueden alimentar a su familia con lo que cosechan y comparten lo que han aprendido con otros en su comunidad. ¿Cómo puedes utilizar tus habilidades y conocimientos para ayudar a los demás?
